

Camp Too Sweet

Our District 24-E project in cooperation with Carilion Clinic will be held at Camp Roanoke on June 21-25.

Planning for the camp is in the preliminary stages. The day of the week for Lions Day at the Camp has not been established. However, the cost for each camper which was reported in the September Edition of The Lions Pride has been reduced to \$330.00 for each full-time camper and \$205.00 for each day camper. Carilion and Camp Roanoke are putting forth great efforts to keep the camp cost down, and we appreciate their efforts.

On November 17, 2009, at the meeting of the Roanoke County Board of Supervisors the Lions of District were recognized for our efforts to assist with Camp Too Sweet. District Governor Don Rhinehart and PDG Bill Brammer were in attendance. Governor Don has the recognition which was presented.

When I attended Saturday meetings at District 24-C's Fall Conference on September 19, 2009, I was given a check for 4 full week campers from District 24-C who attended Camp Too Sweet in 2009. District 24-C has approved to pay the cost of up to 15 campers from District 24-C for the 2010 Camp Too Sweet event. It is thrilling to have cooperation from District 24-C to assist with Camp Too Sweet. Hopefully, in the near future we will be able to secure assistance from other parts of MD24.

Again I would like to thank all of the Lions and Lions Clubs who have assisted with Camp Too Sweet in the past. I look forward to being able to work with not only all of you again but with all of the Lions and Lions Clubs in District 24-E.

Yours In Lionism

Bill Brammer
