## Dublin Lions Club

The Dublin Lions are planning for a busy spring season, and we have several upcoming projects. Our Earth Day environmental service project will be April 23. We will meet for breakfast and then gather at the NRV Fairgrounds for road assignments. We will be picking up trash along our corridor of Route 100 in Dublin.

We will have our Pulaski Daily bread service project on May 13. Members will come and prepare meals and serve them to over one hundred individuals in need. We also continue with our Red Cross blood mobile program held at our clubhouse.

And finally, we will hold our Spring Flea Market June 4-5, at the New River Valley Fairgrounds. We anticipate having over 350 vendors with 800 spaces set up for promoting and selling various goods, crafts, and food items. Please come and join us for this wonderful event. The entry fee is just \$1 and parking is free. It's something for the whole family too!
