Fellow Lions,

By the time that you are reading this letter, I will have had the privilege of visiting 31 of the 37 clubs and branch clubs in the District and hearing about all of the service which is being provided to their respective communities. Lionism is truly making a difference in 24-E. Strengthen the Pride through Service!

Speaking of service projects and fund raisers, I remind you that the TOP SIX awards are being continued this year. Get some recognition for all of the work that you do! However, you must send me a copy of your monthly reports, as the scoring for the awards is based on reports that I receive.

The District Fall Conference was held October 3rd and 4th and was well attended, with over half of the District's clubs represented. I would like to thank those clubs who supported our Friday night auction with either gift or monetary donations. It was a tough crowd, but auctioneer Lion Tim Hash did his best to separate the attendees from their money and a good time was had by all! I would especially like to thank my club, Cave Spring District, for their support of the conference.

As of my writing this letter, the District stands at +1 in membership for the 2014-2015 Lions year. We began the year with 881 members and now have 882. While that does not sound too impressive, and certainly could be improved, it is substantially better than where we were at this time last year. For the first four months of Lions year 2013-2014, we were at -17. For those of you whom have already heard my visitation presentation, I encourage you to remember to "Ask 1". I have a special pin for all of those who do sponsor a new member and Strengthen the Pride through Membership!

Good things continue to happen throughout the District. LOVF has awarded a grant for \$10,000 to cover material costs for a picnic shelter/pavilion to be constructed on school property in the Burnt Chimney area of Franklin County. Smith Mountain Lake Lions and community residents will match this with sweat equity in constructing the pavilion. Forest Lions Club has chartered a LEO club at Jefferson Forest High School. This is the first new LEO club in the District in at least 16 years! Also, the Radford club is working on another new LEO club to be at Radford High.

Finally, the next District Cabinet meeting will be Sunday, December 7, 2014 at the Lions Sight Foundation Building on Elm Avenue in Roanoke. It will start at 2:30 PM.

Thank you for all that you do for Lions!

DG Jim Newman

Fall Conference

Lions of Virginia, District 24-E held their annual Fall Conference October 3-4, at the Holiday Inn Valley View in Roanoke. The event was hosted by District Governor Lion Jim Newman, and the Cave Springs Lions Club.

This year's proceedings followed a "Railroad Theme / All Aboard".

There was something for everyone, yet it is doubtful that any one got to participate in all the events. Activities featured for the weekend were: Exhibits, Live Auction, Fellowship Breakfast, sessions on Leadership, Scrap booking, Tail Twisting, a Memorial Service, a Program by Past International Director Judge Haynes Townsend, a session entitled Blueprint for a Stronger Club, Membership, a Lions Tea, District Meeting, 24-E Charity Foundation Meeting, and of course the semi formal Banquet featuring guest speaker Aubrey Wiley who spoke on the "Virginian Railway Heritage Trail".

Past International Director (PID) Lion Haynes H. Townsend, who is also a Chief Judge with the Magistrate Court System of Whitfield County, Dalton Georgia, addressed the District 24-E Fall Conference lunch group Saturday October 4th.

Past District Governor (PDG) Lion Kirk Sampson accepts a "Certificate of Appreciation" presented by Governor Lion Jim Newman on behalf of Lions Clubs International Past International President Lion Barry J. Palmer. The Certificate read in part "In Recognition of Distinguished Achievements in Fulfilling the Mission of Lions Clubs International".

District Governor Lion Jim Newman presents a gift to Lion Donna Townsend wife of PID Lion Haynes Townsend.

Mr. Aubrey Wiley, a man of many talents, best known for his dedication to the "Virginian Railway Heritage Trail" was the guest speaker following the Dinner Banquet. Mr. Wiley, a man with many titles from past professions, presented a very interesting, fact-filled program, "Exploring the trail of the Virginian Railway across Virginia and West Virginia dating back to 1909 to present".

Rich Creek - Giles Breakfast Branch Club

Giles Breakfast Lions have been busy with vision screenings since the beginning of the new school year. On September 9 Lion Charlie took the club's SPOT unit to Blacksburg assist the Blacksburg Lions with their vision screening at Blacksburg High School. In just over 2 hours over 300 students were screened using the 2 SPOT units.

One September 12 Giles Breakfast Lions Club was able to put its new SPOT unit to work at the GEEP (Giles Early Education Project) Child Fest event on Friday, September 12 at Pearisburg Community Park.

Left- Lion Betty Herbert explains the print-out created by SPOT for parents.

The weather was dark and rainy but everyone had a great time none-the-less. GEEP served a wonderful picnic dinner to approximately 75 preschoolers as well as their parents and/or guardians as well as their siblings. Children were treated to face painting, bounce houses, giant bubble making, painting, balloon animals, creating books, a petting zoo, a birthday cake for Smokey Bear, a visit from a Fairy Princess, music and of course Lions vision screenings.

Right- Everyone must stay out of the rain - even a calf named "Piglet".

Club President Charlie Herbert stated that "approximately 20 children under the age of 8 and an equal number of parents were screened. Happily no children and only 3 adults were referred to an eye care professional for further evaluation".

On Saturday, October 4, another dreary day, Giles Breakfast Lions spit forces to cover 2 events in Giles County. One of the hats Lion Betty wears outside of Lions is as Director on the Board for Giles Arts Council. She serves as the chairman for the group's annual juried fine art show, Art on the Lawn. Beginning at 6:30 a.m. several Lions joined Lions Betty and Charlie to assist artists as they arrived to set up for the show. During the day several other Lions took shifts as volunteers to assist the artists and visitors to the show. Beginning at 9 a.m.

other Lions were on site at the Pembroke Heritage Festival where Giles Breakfast Lions sponsored a blood drive. VA Blood Services reports that 16 units of blood were collected on a cold, windy day with very low attendance at the festival. Several Lions volunteered at both events.

After starting the day in the pitch dark with rain, wind and cold the dawn began to break and provided volunteers at Art on the Lawn with a most spectacular rainbow.

Entertainment was provided throughout the day. Here Lion Betty performs with Bill Hoffman & William Penn. The 3 perform together as Bebe & Friends.

Lions District 24E Governor, Jim Newman, made his annual visit to the Giles Breakfast Lions on Thursday, October 16. He was joined by 2nd VDG Marty Alford for breakfast which was provided by Lion Alesia Meredith. The Governor delivered the message of LCI President Joe Preston then delivered a few thoughts of his own about Lionism in Multiple District 24 and in District 24E. Good discussion flowed during the meeting and afterward.

At the end of the meeting Lions Al Katz, Betty Herbert and Charlie Herbert participated in Giles County School's annual Reality Store which is held at the Pearisburg Community Center each October. High School juniors from both Giles High School and Narrows High School participate in the event which is meant to give them at least an idea what life after school is like depending on their educational and other life choices. Giles Breakfast Lions presided over the Donations table where each junior was required to stop to think about and hopefully make charitable donations to either the Cancer Research, United Fund, Animal Rescue, Church, or Fire and Rescue. As we've seen in years past, most of the donations were made to either the Animal Rescue or Cancer Research. However, more young men were making donations to Fire & Rescue than ever before.

Saturday, October 18 brought the Pearisburg Eye 5K race sponsored by Giles Breakfast Lions Drs. Nick and Jackie Clark. The morning proved to be anything but the sunny, warm one that had been promised by the weather gurus. The race included a 5K for adults and older children as well as a 5K walking race which followed the same course and the 5K race and occurred simultaneously. It also included an around the block race for smaller children. Winners came from several age groupings as well as male and female winners.

Lion Nick Clark gives instructions to the racers prior to the beginning of the race.

Children were encouraged to wear their Halloween costumes. Lion Jackie – in the gorilla suit, with twins Grayson and Lucas Clark appeared to be the only warm person in the area.

Sunday, October 26 was a very special and happy day for Giles Breakfast Lions as we celebrated the marriage of Lion Sherri Nipper and Brian Williams (no, not That Brian Williams).

The wedding was held following the Sunday morning services at Frenches Chapel Church on Little Creek in Pulaski County. Lion Sherri's always radiant smile was even more-so as she and Brian exchanged vows. Our congratulations and best wishes go out to Sherri and Brian as they begin their new life together.

Monday, October 27 began the weeklong vision screenings in Giles County Schools. Giles Breakfast Lions will be on site at each of the schools with our own SPOT unit as well one on loan to the Club from Blacksburg Lions Clubs. Monday kicked off the week at Macy McClaugherty Elementary/Middle School in Pearisburg. 130 children were screened in a span of 2 ¼ hours using the 2 machines.

Giles Breakfast Lions Al Katz, Charlie and Betty Herbert were on hand to do vision screening at Macy McClaugherty Elementary/Middle School

On Tuesday, October 28, 2014 approximately 140 children from the 3rd and 7th grades were screened between 8:45 a.m. and 10 a.m. Because some children's eyes are more difficult to screen after they've been in the bright lighting in their classrooms, Giles Breakfast Lions brought out our SPOT Photo Booth to provide a darker environment where those children's eyes could be screened. The Photo Booth was a hit with everyone.

The SPOT Photo Booth was brought to Eastern Elementary/Middle School for vision screening there. Pearisburg Lions Club member Buddy Shaver poses as Giles Breakfast Lions Charlie Herbert and Al Katz watch.

Members of Pearisburg Lions Club were also on hand using the Titmus machines that were used prior to SPOT.

Lions screening the vision of children at Eastern Elementary/Middle School were: Front row l-r Pearisburg Lions Bill Eaton and Pat O'Brien, Giles Breakfast Lion Charlie Herbert, Pearisburg Lion Dell Sutphin Back row l - r Giles Breakfast Lion Betty Herbert, Pearisburg Lions Vernon Boggs, Steve Taylor and Buddy Shaver, Giles Breakfast Lion Al Katz.

SPOT Photo Booth Instructions:

We got a freezer box from a local appliance store, cut one side out of it and spray painted it dark blue. Charlie made PVC frames to stabilize the top and bottom and I made a sign for the top. We got LIONS decals made at Office Max to put on the sides and viola - a photo booth that cuts the bright lights right out.

Garrett Brumfield, left, with Moneta Lions Club Vice President Lion Bart Matthies, following his presentation "Overcome Yours" with the club's membership during a recent dinner meeting.

Overcome Yours is a motivational movement founded by Garrett, to empower others to overcome their obstacles in life, no matter how big or small they may be. Garrett, who was born with Cerebral Palsy, knows what it's like to be challenged, and has found ways to overcome many challenges during his life time. He played basketball in grade school, learned to ski in college, went on a family hiking trip, learned to drive, and has a full time job. He not only tells of his challenges, but also those of others as well, hoping that more people will be encouraged to overcome the obstacles they may face.

View Garrett's video on You Tube at www.overcomeyours.com or give him a call at 540-354-3203 to arrange a motivational discussion with your group.

The Moneta Lions Club, has been an avid supporter of Lake Christian Ministries (LCM) for many years, including all three of its fund raising walks. This year the membership collected over two thousand dollars in donations and pledges for LCM's memorial walk. Lions Rob Senoski, Bart Mathies (Walk Chairman & Member of the LCM Board of Directors), Del & Pat Bailey, JoAnn Beachum, Gloria Guice, Fred Beachum, and Tim Haer, delivered those funds, volunteered to assist with walk day registrations and took part in the actual walk.

The Moneta Lions Club members recently declared a "Dress Down Meeting", favoring their more comfortable garb, in place regular club attire.

Salem Host Lions Club

The Salem Host Lions Club has had a busy fall this year. The concession season started at the end of July with the Summer Music Games and has been going strong ever since. The club appreciates the support of the Edgewood Lions Club during Salem High School home games. Along with the concession stand Salem Host Lions have also served the community through collection of eye glasses, performing SPOT vision screenings and driving for RAVE. New to the clubs list of service projects is a Habitat for Humanity Project.

The Salem Host Lions are excited to sponsor a Habitat for Humanity House on 4 Bowman Avenue in Salem. The house is being renovated for Kenneth Quinn. Kenneth was injured in a car accident in 2003 which left him paralyzed with limited use of his arms. The house, which was donated by Bank of America, is being renovated with a donation of \$16,250 from the Salem Host Lions Club and a matching grant provided by LCIF. Work on the house started on September 13, 2014, and club members have been working on Wednesdays and Saturdays from 8 am to 2 pm. Work on the house is projected to be finished in December 2014. We invite other Lions Clubs to join us in the fun.

If you are interested in participating you may sign up on line or contact Lion Jerry DeGraff. If registering on-line the first step is to register at <http://volunteerup.com/Login.asp?w=i&o=288>, and then sign up from the project calendar (<http://volunteerup.com/ProjectCal.Asp?o=288>). Five (5) spaces have been reserved for Lions each build day. If you have any questions about the project or on how to register please feel free to contact Lion Jerry DeGraff (540-389-0924). Demolition has occurred and drywall is currently going up inside.

At our October club meeting the Salem Host Lions had a Community Appreciation dinner. The club invited local organizations to discuss their needs for the coming year and explain how club donations are used. Representatives from the following organizations pictured from left to right received donations from the club:

left to right, George Edward (Local Office on Aging), Kathy Cohen (Family Promise), Jammie Whitlow (Community Christmas Store), Jerry Brittain (Military Family Support), Larry Nash (Food Pantry).

Salem Host Lions enjoyed learning about the needs in our community and the great work these organizations do. The event served as a great motivation to Lion's members to continue their hard work at the concession stand.

The Lions are looking forward to upcoming concession events including the Sandlot SuperBowl (which is sponsored by the Salem Host Lions) and the Stagg Bowl which will finish up the concession season for 2014.

Stewartsville - Chamblissburg Lions Club

Lions of Virginia District 24-E Governor Lion Jim Newman, center, recently visited the Stewartsville-Chamblissburg Lions Club to discuss his goals as well as those of the club.

A very important goal of all clubs is to increase membership, to better serve their communities. During the club's meeting that goal was met when Lion Governor Newman performed an induction ceremony, welcoming Lion Ken Harris, left, sponsored by the club's President, Lion Kenny Price, into the world of Lionism.

On August 27, 2014, members of the SML Lions Club conducted Spot vision screening at Burnt Chimney Elementary School for 75 preschool, kindergarten, and special education children. This screening was conducted using a newly purchased PediaVision VS 100 vision screener, otherwise known as Spot. The Spot machine was jointly purchased by the SML Lions with a matching grant from the Lions of Virginia Foundation. SML Lions are planning on using Spot to vision screen at least 500 younger children this year. These younger children were not able to be screened in previous years using conventional screening tools.

SML Lions conducting the screening were (left to right): Bob Epps, Tom Merriman, Teresa Brown(School Nurse Coordinator, FCPS), Marge Epps, Tom Scott, Shirley Wade, Linda Pierpoint, and Lowell Skelton.

At its September 11, 2014, meeting, the Smith Mountain Lake Lions Club awarded Ralph Long with the Distinguished Service Award for his many achievements and his participation in Club and District activities. The award was presented by Joanna Hudzik (left).

Past Council Chair, Clark Vandergrift (right), attended the September 11, 2014, meeting of the SML Lions. Our meeting of September 9th was a presentation of The Community Health Center of The New River Valley as it has changed from "The Free Clinic," to include health coverage for those without and also with minimal health coverage. We support the Health Center each year with a \$200 grant for dental coverage.

Our meeting of September 23rd was our Annual C'Burg Lions Club Picnic which due to inclement weather was held "indoors." We still had a great time and emphasized "Lions Club membership" as our program.

Lion Wayne Bishop, Lion Dennis Semones, Lion Betty Semones, Lion Joyce Bishop, and Lion Judy Wade working in the kitchen (they are some fine cooks).

The gathering of Lions at the "ole feed bag" enjoying Lionism at its best.

Our first meeting of October (the 14th) was highlighted by a presentation of The New River Valley Authority (a regional land fill for the NRV, covering 5 counties and the town of C'Burg, and the City of Radford) by Brent Williams, Operational Manager. We learned a great deal about the workings of land fills, and the necessity of providing an environmentally friendly disposal of community waste.

Our upcoming October 28th meeting will be our Annual C'burg, Family and Friends Night, as we highlight the work of our local Lions Club and encourage others to join with us in our service to the community and larger world. This along with Charter Night is usually one of the highlights and larger meetings of the year for us. We are excited to invite and share Lionism with others!

Our first meeting of November (November 11th) will be our annual service project at The Eye Glass Recycling Center in Roanoke. We are always excited to see the work they do, and to make our small contribution of service to them.

And the last meeting of November (November 28th) will be our final organizing and planning meeting before our Annual Lions Club Craft Show. This will be our 22nd year and it is our largest fund raiser and also some of our best publicity for our Lions Club. We have over 145 vendors who support our Craft Show, and they keep coming back, year after year. We would like to think we do something right!

And probably the most significant service project for us this Lion Year has been the vision screening of the 16th schools in Montgomery County (6, 7, and 8 graders) by the Christiansburg and Blacksburg Lions Clubs. We are excited to work with the Blacksburg Club to perform this vital service to our children and schools.
