Summer is nearly upon us and with it, the end of another Lion's year. My, how the year has flown by! We have less than one month to conduct our service projects and fund raisers before we begin the cycle all over again. Lionism will continue making a difference in 24-E, but only if we continue to dedicate ourselves to service. Remember, WE SERVE! Over the next few weeks, I will continue dropping in on club meetings to deliver various awards. Who knows when you might see me! Also, I will be out and about visiting club service projects and fund raisers that I am aware of. We need to finish strong! Club Presidents and Secretaries – make certain that your reporting to LCI is up to date to receive awards for which you have qualified.

Service is a year round need. It does not take the summer off and neither should your club. One thing that your club can do, if it is not already doing it, is to come and work on a regular basis at the Eyeglass Recycling Center on Elm Avenue in Roanoke. The Center currently has a backlog of glasses requested for upcoming mission trips. It is not difficult work, you can do it in air conditioned comfort, sitting down. It is a wonderful opportunity to get to better know other Lions in your club and supports one of our core areas of service - vision. Give Lion Gary Wagner (540-345-8823) a call and set up a time to come down and work!

2015 Peace Poster kits are now available from LCI. If your club has not been sponsoring a contest in your area, please consider it. It is easy to do, provides good visibility for the club, and is a way of connecting with the youth. Give PDG Kirk Sampson (540-721-8172) a call for further information on this.

The District, as of May 31st, stands at minus 3 in membership for the 2014-2015 Lions year. We began the year with 881 members and now have 878. We have a real shot at ending the year with positive membership growth, something that the District has not done for a while. If your club has any new members that have not yet been reported to LCI, please do so in June. I encourage each of you to support our International President, Lion Joe Preston, (and your District Governor!) and remember to "Ask 1" and retain those who are already Lions. There is still time. I have a special pin for all of those who sponsor a new member.

So let us finish the year strong. Whatever projects your club has decided on, get out and do them! And after you complete them, report on them. Providing service to your community is the best recruiting tool that you have. Provide service to your community and do it with signage and publicity and people will see the good that you do and want to become Lions! I thank you for your support this past year and trust that you will continue your efforts under the leadership of soon to be District Governor Lowell Skelton.

Thank you for all that you do for Lions!

DG Jim Newman

Lions of Virginia State Convention

The Lions of Virginia joined together for their 92nd Annual State Convention May 15-17 at the Sheraton Premiere Hotel, Tyson's Corner, VA

Scrapbook Contest

Moneta - 1st place

Cave Spring - 2nd place

LOVF Raffle

Smith Mountain Lake sold a winning ticket for \$500

Brookville-Timberlake sold a winning ticket for \$500

James City County sold the \$10,000 winning ticket

The 93rd Virginia Lions State Convention will be held in Roanoke on May 19-22, 2016 at the Hotel Roanoke. Save the date! Only 21 of the 84 possible delegates from our district attended the 2015 convention! We want to see everyone there (at least at one time or another if you can't make the whole weekend).

Memorial Service

At the 92nd Virginia Lions State Convention the traditional Memorial Service was held on May 16, 2015. This service honors those Lions who have passed on during this year. It was lead by PID Richard Chaffin (Forest Lions Club). As each Lion's name was read a flower was placed in a vase in their memory. This year the following 24-E Lions were honored for their dedication and service and now, we remember each of them once again:

Daniel Bell Dublin

William Brammer, PDG Rocky Mount

Robert Bryant Bedford Breakfast

District Cabinet Meeting

Near the conclusion of his final District Cabinet Meeting, Governor Lion Jim Newman presented Region II Zone I Chairperson Lion Eric Mills and Region I Zone II Chairperson Lion Ralph Long with Script Pin Awards.

Governor Lion Jim Newman presented Lions: Peggy Smith, Babette Newman, Clark Vandergrift and Kirk Sampson with the MD 24 Virginia Council of Governors District Service Award for their outstanding service to Lionism.

Zone Meeting

Lions of Virginia District 24-E Region I Zone I Chairperson Lion Gloria Guice (Moneta Lions Club) displays the "Multiple District 24 Virginia Council of Governors Distinguished Service Award". The award was presented by District 24-E Governor Lion Jim Newman (Cave Springs Lions Club), on behalf of the Council of Governors following a recent Zone I meeting held at the East Lake Restaurant, in Moneta.

Submitted by Lion Rob Senoski

SPECIAL NEEDS NEWS

Near the end of April we were contacted by Angela Ellis on behalf of her 15 year old son, Corey Hughes. Corey was born with a rare form of cancer, retinoblastoma. As a result he lost his left eye as an infant. He has had a prosthesis since that time. The prosthesis must be replaced from time to time as Corey has grown. At 15 years old his face is now maturing into that of an adult male. The prosthesis no longer fit and was causing problems. It needed to be replaced. Complicating things was the fact that Corey is allergic to the coating used on most prosthetic eyes and he and his mother have to travel to Philadelphia to have a specially coated prosthesis made. The cost of the new one was going to be \$3240. Angela had been on medical leave from her job since January and she needed help.

After receiving the Special Needs Request form and getting information from the doctors in Philadelphia the District 24E Charity approved \$1000 from the Special Needs fund to assist with the cost of Corey's new prosthesis. Through Governor Jim's contacts within LOVF we were able to apply for a grant after the closing date for requests to be screened at the State Convention in Tysons Corners on Friday, May 15. LOVF granted us the balance of the cost of Corey's new prosthesis and the two checks, totaling \$3240, were sent to the doctors in Philadelphia.

Vinton Breakfast Lions Club secretary, Hal Mabe, heard what we were trying to do for Corey and got on his phone. He messaged members of his club as well as the other Vinton Lions Clubs and within about 20 minutes they had come up with \$500 to send Angela and Corey toward their travel expenses. On Wednesday, May 20 Angela and Corey traveled to Philadelphia where he was fitted with his new prosthesis. Lions working together at the local, District and State level to live our motto, We Serve.

During the 2014/2015 year Special Needs has provided assistance to three individuals. The dollars in the Special Needs fund are diminishing as we help our neighbors in need. We have not received any donations to replace the funds we've used this year. Please, if your club or any individual either in your club or outside your club would like to make a contribution to the Special Needs Fund please do so. Your contribution, made payable to the District 24 E Charity, Inc. is tax deductible. We need your help so that we can continue our work helping others in need.

Thank You.

Submitted by Lion Betty Herbert

Giles Breakfast Lions Club

It has become the custom of Giles Breakfast Lions to spend the morning of Arbor Day at Eastern Elementary School. Each year part of the morning is spent with the 2nd grade classes. The club purchases a grade appropriate book about Arbor Day to read to the children. The book is then given to the school library. This year's book was "Arbor Day Square" which was based on the story of how Arbor Day began.

left:
Lion AL Katz reads
to the 2nd grade
classes

right:
Lion Sherri Nipper-
Williams reads from
"Arbor Day Square"

After reading time all the students, their teacher and aides accompany Giles Breakfast Lions outside to plant trees.

Lions Charlie Herbert & Dave Zai prepare holes for trees

2nd grade students help fill the holes around the new trees

This year six Yoshina Cherry trees were planted around the front lawn of the school. Each year the trees grow and each year Giles Lions Club members run into children who stop them to say "you're the man/lady who read to us and planted trees with us".

Over the weekend of May 15-17 Giles Breakfast Lions members Charlie and Betty Herbert attended the Lions of Virginia State Convention in Tysons Corners, VA. Both Lion Charlie and Lion Betty were honored to receive the 2015 Lions Script Pin from Governor Jim.

On the same weekend other members of Giles Breakfast Lions Club were busy with a blood drive sponsored for Virginia Blood Services during the opening day of the Pearisburg Farmers Market. During the course of the day the Blood Service's goal of 20 units of blood was exceeded when 26 units were collected. Every unit of blood collected by Virginia Blood Services at Giles County blood drives stays within the Carilion Clinic system either at the Giles Community Hospital or Carilion NRV. The day's collection of 26 units of blood means that a total of 78 lives were touched and perhaps some saved thanks to the donation so folks in Giles County. Another drive is scheduled for Saturday, June 20 at Pearisburg's Festival in the Park. The club hopes to be equally successful with this upcoming blood drive.

The 2015 Community Garden has been planted. Our partners, Christ Episcopal Church in Pearisburg, were kind enough to allow the garden to be expanded this year. This year's garden includes potatoes, sweet potatoes, tomatoes, green beans, carrots, bell peppers, zucchini, yellow squash, acorn squash, butternut squash, eggplant, cabbage, broccoli, kale, collards, lettuce, spinach and basil. Vegetables will be distributed to the Health Dept. for the young mothers in their WIC program, the Giles Christian Mission's food bank, the Free Clinic, Giles Dept. of Social Services and the Giles Senior Center. Excess will be sold at the Pearisburg Farmers Market and the proceeds will go back into next summer's garden. Christ Episcopal Church will be constructing a garden shed for storage of our hoses during the summer as well as over winter with the trellis materials, stakes and tools. On June 12 they will be offering a Community Garden Kick-Off Picnic open to anyone in the community who wishes to attend. The church will provide hot dogs and hamburgers. The rest will be pot luck provided by the members of the church and Giles Breakfast Lions members.

Moneta Lions Club

Moneta Lions Club Members, President Pat Bailey, Bert Bowers, and Rob Senoski recently performed vision screenings over a two day period for clients associated with Lake Christian Ministries (LCM) in Moneta. Mrs. Kathy Reynolds, a devout volunteer with LCM, coordinated the event dates, times and client lists with the Lions Club. As a result it was recommended to several of the clients to seek professional follow up.

The Moneta Lions Club held it's 15th Annual Golf outing on Monday April 20th at Mariners Landing Golf and Country Club.

The outing is the club's major fund raiser "Benefitting Sight, Hearing and other Lion's Programs for the Needy of South West Bedford County." The annual event once again received the very

generous support of many area businesses, private sponsors and dedicated golfers, including members from other Lions Clubs.

Following a foggy start of competition, a buffet lunch was set up at Heaths Waterfront Grill. After lunch a wide range of prizes were awarded ranging from the First Place Team, to the Most Honest Team, with various other team and individual awards, also door prizes along with several Silent Auction items.

Pictured is the First Place Team: Walt Wright, Cheryl Cave, Tracey Young, and Charles Waybright, who finished with a Net 54.

Harold Reedy, a member of the Salem Lions Club, accepts his Grand Raffle Prize from Moneta Lions Club President, Lion Pat Bailey. The presentation was made following a fun filled morning at Mariners Landing Golf Club.

The Grand Prize a "Titleist API Iron Set, True Temper Shafts, #4-Gap Wedge", valued at nearly \$800, was purchased by the Moneta Lions.

Moneta Lions Club members, Lions Fred Cuffari, Del and Pat Bailey with Rob Senoski behind the camera, at the Moneta Food Lion during a recent "White Cane Day" event. The club's members stage such events throughout the year, meeting with the public to discuss: vision and hearing programs that they offer, distributing informational pamphlets, on organ donation, membership, also accepting general donations and selling Lions of Virginia Foundation raffle tickets.

Other Lions participating were: Bart Matthies, Jerry Over, Mary Davis, George Just, Bert Bowers, Farris and Pat Maddox.

Moneta Lions: Rob Senoski, Bert Bowers, and Gloria Guice, along with Lion Lowell Skelton from the Smith Mountain Lake Lions Club and Ms Melissa Linn, Director of the Caterpillar Clubhouse in Moneta, following a productive "Spot Vision Screening Session" recently.

Lion Lowell coordinated the screening with the Moneta Lions and Ms Linn, distributed and collected consent forms for the children attending the child care center, located at 1077 Town Circle Way, in Downtown Moneta.

Jaelyn Tuck, second from left, displays her "Youth Leaders in Service Award", presented by Moneta Lions Club President Lion Pat Bailey, with Youth Services Chairperson Lion Gloria Guice and Past President Lion Rob Senoski looking on. The presentation took place during the Staunton River High School's Annual Senior Awards Ceremony, May 18th.

Miss Tuck received a Certificate of Appreciation, also a monetary educational grant from the Moneta Lions Club, for her outstanding scholastic achievements during her senior year, participating in extra curricular activities, yet finding time to volunteer regularly within the community, demonstrating the Lions International Motto "We Serve".

Miss Tuck will begin classes at West Virginia University this fall, pursuing a degree in the Pharmaceutical Field.

Salem Lions Club

The Salem Lions hosted a Community Appreciation Dinner on April 7, 2015, at the Salem Civic Center. The club donated \$37,600 to the following organizations: Salem High School (SHS) Activities Fund, Andrew Lewis Middle School (ALMS) Activities Fund, SHS and ALMS Band Programs, SHS After Prom Committee, Glenvar High School After Prom Committee, Virginia Special Olympics Torch Run, Salem Rescue Squad and Fort Lewis Rescue Squad, Salem YMCA, Salem Police Dare Program, Community Outreach Program, Sandlot SuperBowl, and Voice of the Blue Ridge. Funds donated by the Salem Host Lions are raised

through operation of the concession stand at the Salem Stadium. These donations would not be possible without the continued support of the Salem Community and various activities at the stadium. Over the years, donations have been used to buy automated external defibrillators (AEDs), help fund the Salem DARE program and annual picnic, sponsor a Habitat for Humanity House in Salem, to buy glasses and hearing aids for people in need and much more.

Those in attendance pictured from left to right: Sandy Helton and Dreama Neikirk (Glenvar After Prom), David Carroll (Ft. Lewis Fire & Rescue), Stephanie Herron (Glenvar After Prom), Woody Henderson (Ft. Lewis Fire & Rescue), Hunter Routt (SHS Activity Fund), Elizabeth Taliaferro and Michelle King (SHS After Prom), Chris Wilkes (SHS Band), John Wright (ALMS Band), Tricia Reynolds (Salem YMCA), Jamie Garst (ALMS Activity Fund), and Officer Blake Critz (Special Olympics).

During the month of May the Salem Host Lions held their annual white elephant sale and membership picnic. During the white elephant sale, Lion Ivan Doucette bid on and won Lion Tom Sixbey's Christmas jester hat.

The second meeting in May, the club held a membership picnic at Lion Chris Whisnant's house. During this meeting the club inducted a new member, Lion Ken Beadling. Lion Ken Beadling was sponsored by Lion Tom Sixbey.

The Salem Host Lions are back at the concession stand for the Blue Ridge Music Festival. With the help of the Edgewood Lions Club, Salem High School Football team, and local Arby's Management Team, the Salem Host Lions were able to meet the staffing requirements of the two day concert event. The Salem Host Lions were thrilled to have the assistance of DG Lion Jim Newman who helped behind the counter.

The Salem Lions are looking forward to their annual scholarship picnic on June 2.

Smith Mountain Lake Lions Club

At its meeting on May 14, 2015, the SML Lions heard a presentation by Dan Boucher, Executive Director for Industries for the Blind (IFB), located in Winston-Salem, NC. Boucher highlighted the growth of the organization from its opening in 1936 by the local Lions Club which had the hope of a modest but immediate impact on the community. Starting with only six blind workers in a two-room shop, IFB is now the largest employer of people in the United States who are blind or visually impaired. IFB's focus has always stayed the same: changing lives through opportunity.

Shown (left to right) are SML Lions Program Chair, Bill Telford; IFB Executive Director, Dan Boucher; and SML Lions President, Bob Epps.

During April 2015, the Smith Mountain Lake Lions Club, along with other community volunteers, designed and built a walkway for the new home and administrative office of SML Good Neighbors, a local non-profit focusing on disadvantaged children. The project involved over 200 hours of work to complete.

Shown (left to right) are SML Lions Art Sommers, Ron Jamison and Chuck Davis. Also supporting the project were: Rick Carroll, William Cross, Tom Hamlin, and William Krist.

At its annual Scholarship Recipient Recognition Night on May 28, 2015, the Smith Mountain Lake Lions Club Scholarship Trust awarded scholarships to seven outstanding Franklin County High School (FCHS) students. The scholarships were awarded based on academics, leadership and financial need. From 1992 to 2015, the Scholarship Trust has awarded 76 scholarships and paid \$422,500 paid to FCHS graduates. Trust scholarships are one of the highest private dollar awards at FCHS. Currently, 20 students are receiving scholarships annually.

Pictured (left to right) are the 2015 recipients: Katelyn Furrow, Ellen Duvall, Timothy Miles, Cilicia Ferguson, Casey Burton, Sydney Brown,

Sarah Sledd and Cheyenne Marie Marment.

Submitted by Lion Cindy Decker

Bedford Breakfast Lions Club

On Saturday, April 18, 2015, the Bedford Breakfast Lions Club held its annual Fiber Fare fundraiser on their clubhouse grounds. The weather was great, attendance good, and the chili dogs were tasty! Exhibits/booths included alpacas, ready to be sheared; wool ready to be spun; and hand dyed, ready to knit yarns. Oh yes, also all of the tools and gadgets needed to carry out the process from one end to the other were there too!

Roanoke Valley Breakfast Lions Club

Roanoke Valley Breakfast Lions Club (RVBLC) eagerly accepted the request from Ron Minton to coordinate staff support for the Virginia Wounded Warriors Golf Tournament on May 23. Fourteen members of the RVBLC (Lions Jean Broyles, Jim Dalton, Wanda Dalton, Ellen Coleman, Cliff DeMars, Mary Ann Demars, Andre Peery, Lynn Keene, George Ferguson, Chris Minter, Archie Richmond, Barbara Pendergrass Richmond, Suzanne Ross, and Hank Utermark, our Zone Chair, Eric Mills and his lovely wife, and six friends of club members responded to the call for assistance with this project on this very busy weekend – the Saturday prior to Memorial Day. Despite all of the competing activities, we delivered 22 volunteers for this very worthwhile project.

Assignments included registering 152 excited players, observing the par 3 with the grand prize

of a car donated by Magic City, serving lunch, and troubleshooting. Volunteers and the players were treated to a free delicious lunch by Jerry's of Vinton and a complimentary ticket to the concert that evening featuring the Phat Boyz Band.

This was a great way to show respect and appreciation for those who have sacrificed much in their service to this county. Ron Minton, the organizer of this project is very passionate about seeing that wounded veteran in our community receive the help they need and deserve. All of the proceeds from this project will be used to assist wounded warriors in the State of Virginia. It was a great way to spend a Saturday.

District Governor Jim Newman made a surprise visit to our

Roanoke Valley Breakfast Lions Club on May 6 to recognize our club with the Club Excellence Award for our achievements in 2013-14. He presented a pin to Lion George Ferguson and a patch to the club for its banner. DG Newman indicated that RVBLC is the first club to receive this award during his administration. Lion George sets a great example of service and leadership in our club, volunteering in most club projects. He is a regular volunteer for eyeglass recycling, the rescue mission, and white cane.

Lion Mary Ann Demars coordinates the collection of tabs for the Ronald McDonald House. Mary Ann, who adopted this project for our club more than ten years ago, sees this as an easy way of giving to a worthwhile cause. This project is indicative of Lion Mary Ann's style - she quietly and effectively works behind the scene to keep the ball rolling. She reminds members at meetings to save their tabs. In April, thanks to the hard work and due diligence of club members, especially Lions Jim Dalton, Leonard Booth, JJ Johnson, and Ellen Coleman, 20 pounds of tabs were turned in.

Lion Mary Ann and her husband, PDG Cliff DeMars are some of the hardest working Lions, you will find anywhere. In addition to the service they provide locally, they coordinate registration

for the Missions of Mercy (MOM) Projects in Virginia, North Carolina and Maryland. They are wonderful examples of true Lionism!

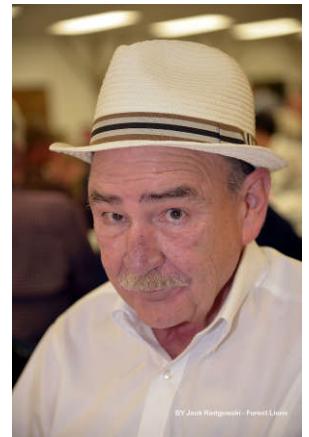

When the Roanoke Valley Breakfast Lions Club's podium came up missing, Lion Andre Peery came to the rescue.

Knowing how much his late uncle and aunt, Lions Lewis and Eulah Peery loved Lionism, he purchased and donated this beautiful podium in their memory. It has a plate engraved with their names; thus, they will forever be present at our club meetings.

Submitted by Lion Barbara Pendergrass Richmond

Forest Lions Club

Shock, disbelief, and then jubilation were the outcome of the Forest Lions Club \$10,000 raffle on May 1 as 10 lucky people walked away with \$1,000 each. This event is the Forest Lions biggest fund raiser of the year, with the real winners... the community! All the net proceeds are used to serve the community through projects, scholarships and outreach.

Special thanks to Coach Jerome Loy, Teacher and cross country coach from Jefferson Forest High School, who has helped make this fund raiser a success over the years. Coach is retiring this year, but I'm sure we'll see him around. THANKS Coach for all you've done for our kids over the years.

Three Jefferson Forest High School seniors each received a \$1,200 scholarship from the Forest Lions Club. From left: Erik Smith, Marie Abowd, Parker Griffith and Cindy Mohrmann, Lions Vice President.
