

I am in possession of the LOVF Raffle Tickets for this year's \$10,000 drawing. The raffle is a great fundraiser for both LOVF and your club. For every book of 30 tickets sold, LOVF makes \$10 and your club gets to keep \$20. AT a dollar a piece the raffle tickets are easy to sell.

And, above all, you're helping a great cause! LOVF helps support disaster relief in Virginia, special needs equipment requests, and provides grants to large lion projects throughout the state. Has your club ever applied?

Please let me know if you would like raffle tickets. I'll be glad to work out delivery to you or your club.

Yours in Lionism,
